- You were at least 16 years old when your most recent U.S. passport book/card was issued (10-year validity);

- Your current U.S. passport was issued under your current legal name (no name changes);

Documents you MUST include in your package:

✓ SIGN and complete the DS-82 passport renewal form.

- We encourage you to go online to fill out and print the form (It should have a barcode on the left side). Go to: https://pptform.state.gov/. This saves processing time and helps avoid data entry mistakes.
- You can still download the form and fill it out by hand if you prefer to do so.
- The application must be SIGNED. Please be informed that the signature on the application should be the same as that in the previous passport.
- On field # 8 of the application, you must place a local, El Salvador address. On the second page you can place a U.S. address, or the same from El Salvador.
- The emergency contact information field #19 must be completed. It cannot remain blank.
- Your Social Security Number is REQUIRED to process the passport application. If you have never had or applied for a social security number, you will be required to include a declaration under penalty of perjury that you were never issued a social security number. You can download a declaration here: (No Social Security Statement)
- This declaration does not need to be notarized. When filling out the application form, please include “0’s” on field # 5 if you have never had a social security number.

✓ **Original Current Passport.**

- If renewing your passport card, you must include it too.
- Please include a **photocopy** of the biographical page.

✓ **One (1) WHITE background color passport photo 2” x 2” (5x5 cm) taken within the past 6 months, no eyeglasses.** Check [photo requirements](#).

✓ **Photocopy of your social security card.** Not an obligation but highly recommended to avoid delays in processing.

✓ **Payment**

The current fees are **$130.00** U.S. for a passport book and **$30** for a passport card.

- **Total Fees for Passport Book only:** **$130**
- **Total Fees for Passport Book and Passport Card:** **$160**

You have **TWO** payment options:

1. You may send a bank cashier’s check (*not a personal check*) in U.S. dollars for the **EXACT AMOUNT** above made payable to “**Embajada Americana**”. No checks more than 180 days old may be accepted.

   **IMPORTANT NOTE:** We can only accept cashier’s checks from **Banco Cuscatlán**, **Banco Agrícola**, and **Banco Promérica**, made out in the exact amount and name. Checks in the incorrect amount or name will be rejected and you will be required to provide a corrected check.

2. You may pay the $130 passport application fee via the **U.S. government’s secure payment site**. After successfully paying the fee, you must print out the electronic payment confirmation you receive via email and include it in the package you will send us thru Cargo Expreso.

**IMPORTANT NOTES:**

- Only the passport book ($130) may be paid for thru the **U.S. government’s secure payment site**. You cannot pay for a passport card thru this site.
- Try different browsers if you experience any inconvenience with the display of the site.
In summary, your package must include:

- A SIGNED and completed DS-82 form
- Current passport/card (in good condition) (original and photocopy)
- 1 recent photo size 2x2 inches with white background;
- Photocopy of your Social Security Card (highly recommended);
- Cashier’s check from an eligible bank in the exact amount made out to “Embajada Americana” OR your electronic payment confirmation from pay.gov.

Please take note of the following:

- The courier agency personnel will NOT review your documents to verify if they are correct/complete. They will ONLY make sure that you don’t include cash in the envelope;
- The courier agency will accept ONLY one application and one payment check per envelope (each family member requires their own package);
- To get a cashier’s check, an active local bank account is required, except for Banco Promérica (Check this last directly with Banco Promérica)
- Upon receipt of the envelope at the U.S. Embassy, our staff will review your documents. If the payment check is not correct or a required original document is missing, you will receive an email as notification for you to pick up your envelope at the courier agency with an “Information Request Letter” indicating why the payment check is incorrect or what additional original documents are needed, along with all the documents you submitted. Once you correct the payment check and/or add the missing documents, you will have to repeat the process and re-send the entire package, including paying again for the mailing labels.
- If your documents are not correct/complete but a scanned or emailed photocopy will suffice to complete your application, you will receive an email with an “Information Request Letter” indicating what needs to be provided. Once the needed documents are electronically received, the Embassy will continue processing your application.

Delivery Time:

- Allow at least 3 weeks to receive your new passport.
- All passports are printed in the United States and then mailed to the U.S. Embassy in El Salvador.
